1. SSG Congress Tampere April 26-28, 2022

Eva-Mari informed about the status for the meeting in Tampere. The new dates are confirmed by the venue and the social events are moved to the new dates. All invited speakers, members, sponsors, and advocacy groups are informed about the new dates. They have been asked to confirm the change of the dates and contact us if there are any problems with the new dates. Eva-Mari, with good help from Kaisa and Stine, has a good overview of this and monitoring the situation accordingly.

A doodle with date suggestions will be sent out to decide the next meeting.

2. WGM in Malmö January 31- February 1, 2022

We discussed the upcoming WGM in Malmö and its content. Eva-Mari will send Thomas a list of the usual tasks and preparations we have for those meetings. Thomas, Akmal and Eva-Mari will have a separate meeting regarding the preparations for the meeting.

3. Next meeting

- A doodle with date suggestions will be sent out to decide the next meeting.

Wish you all a nice autumn!

Eva-Mari
