

30th Working Group Meeting of the Scandinavian Sarcoma Group

February 2-3, 2026
Slagthuset, Malmö

PRELIMINARY PROGRAM

Version 2025-11-17

Introduction

We warmly welcome you to the 30th Scandinavian Sarcoma Group Working Group Meeting in Malmö 2026! The meeting will be held at the same conference center as the last meeting just in the center of Malmö, Slagthuset!

On Monday morning we start with the General Assembly where we will have an important discussion about the future of SSG and how we could continue to work together in the future. The results of a survey that was sent to the members will be presented and we will give a brief update from a meeting with the subcommittee chairs.

At the end of the session, we will have the election procedure to introduce and elect new members.

This year we will have a session where complex multidisciplinary cases will be discussed which will include different aspects with individual solutions.

On Monday afternoon and Tuesday morning all working subcommittees will have their own program and will comprehensively discuss selected topics. The working groups will give a short summary of their work on Tuesday morning.

There will be a joint dinner on Monday evening at Slagthuset.

On Tuesday morning we will have a special discussion with the Patient Advocacy Groups from Denmark, Norway and Sweden to discuss different aspects of the sarcoma care and have the possibility to get new input from this very important group.

The Visceral and retroperitoneal sarcoma working group will have their meeting on Tuesday afternoon and we hope that as many as possible will participate!

We encourage you all to come to Malmö and discuss how we better could adapt to the future.

I am really looking forward to seeing you all in February next year!

Christina Linder Stragliotto
Chair of the Scandinavian Sarcoma Group

Content

Introduction	2
---------------------------	----------

Program

Sunday February 1	4
Monday February 2	5
Tuesday February 3	6

Agenda - Subcommittee working group meetings

Orthopaedic surgery working group.....	7
Imaging working group	8
Medical oncology & Radiotherapy working groups.....	9
Nurses and Physiotherapists working group.....	10
Morphology/Tumor biology/Molecular genetics working group	11
Visceral and retroperitoneal sarcoma working group.....	12

Sunday February 1, 2026

17.00–19.00 Board meeting, Comfort Hotel, Malmö

Slagthuset Malmö

Picture of “Hantverksgången”, Slagthuset Malmö.

Monday February 2, 2026

Date: February 2, 2026, 13.00–17.00
February 3, 2026, 08.30–10.00

Place: Meeting room: “Slagt 1”

Chair: *S. Naess, Oslo*

Agenda Content will soon be published!

Morphology/Tumor biology/Molecular Genetics working group

Date: February 2, 2026, 13.00–17.00
February 3, 2026, 08.30–10.00

Place: Meeting room: “Slagt 5”

Chair: *I. Lobmaier, Oslo*

Agenda

Monday February 2

13.00-13.45 Vaskular malformations and tumors
Emilia Gottberg, Lund

14.00-14.30 Molecular analysis and findings in vascular malformations
Marius Lund-Iversen, Oslo

14.30-15.00 Coffee

15.00 - Case presentations: vascular lesions and tumors and exiting cases - DIGITAL SESSION
Everybody prepares at least 2 cases each with benign and/or malignant vascular lesions.
Everybody prepares at least 1 case each with challenging or surprising cases from the past year.

Tuesday February 3

08.30-10.00 DIGITAL SESSION with discussion.

Chondroide tumors – how do we use the “new” classification and how does it work?

Visceral and retroperitoneal sarcoma working group

Date: February 3, 2026, 13.00–16.00

Place: Meeting room: “Separaten”

Chairs: *S. Lindskog, Gothenburg*

Agenda Content will soon be published!
