

30th Working Group Meeting of the Scandinavian Sarcoma Group

February 2-3, 2026
Slagthuset, Malmö

PRELIMINARY PROGRAM

Version 2026-01-08

Introduction

We warmly welcome you to the 30th Scandinavian Sarcoma Group Working Group Meeting in Malmö 2026! The meeting will be held at the same conference center as the last meeting just in the center of Malmö, Slagthuset!

On Monday morning we start with the General Assembly where we will have an important discussion about the future of SSG and how we could continue to work together in the future. The results of a survey that was sent to the members will be presented and we will give a brief update from a meeting with the subcommittee chairs.

At the end of the session, we will have the election procedure to introduce and elect new members.

This year we will have a session where complex multidisciplinary cases will be discussed which will include different aspects with individual solutions.

On Monday afternoon and Tuesday morning all working subcommittees will have their own program and will comprehensively discuss selected topics. The working groups will give a short summary of their work on Tuesday morning.

There will be a joint dinner on Monday evening at Slagthuset.

On Tuesday morning we will have a special discussion with the Patient Advocacy Groups from Denmark, Norway and Sweden to discuss different aspects of the sarcoma care and have the possibility to get new input from this very important group.

The Visceral and retroperitoneal sarcoma working group will have their meeting on Tuesday afternoon and we hope that as many as possible will participate!

We encourage you all to come to Malmö and discuss how we better could adapt to the future.

I am really looking forward to seeing you all in February next year!

Christina Linder Stragliotto
Chair of the Scandinavian Sarcoma Group

Content

Introduction2

Program

Sunday February 14

Monday February 25

Tuesday February 36

Agenda - Subcommittee working group meetings

Orthopaedic surgery working group7

Imaging working group8

Medical oncology & Radiotherapy working groups9

Nurses and Physiotherapists working group10

Morphology/Tumor biology/Molecular genetics working group11

Visceral and retroperitoneal sarcoma working group12

Sunday February 1, 2026

17.00–19.00 Board meeting, Comfort Hotel, Malmö

Slagthuset Malmö

Picture of “Hantverksgången”, Slagthuset Malmö.

Monday February 2, 2026

08.30–09.00 *Registration (Hantverksgången)*

09.00–13.00 Joint meeting, Meeting room: “Separaten”

Chair: *C. Linder-Stragliotto, Stockholm/K. Pulverer, Bergen*

09.00-10.15 Update from the board

- Results from survey.
- Update from meeting with subcommittee chairmen.
- How should SSG work in the future?
Discussion.
- Elections.

Tuesday February 3, 2026

- 08.00–08.30 *Registration (Hantverksgången)*
- 08.30–10.00 Cont. SSG working group meetings**
- 10.00-10.30 *Coffee break*
- 10.30–12.00 Joint meeting**, Meeting room: “Separaten”
Chair: *C. Linder-Stragliotto, Stockholm/K. Pulverer, Bergen*
- 10.30-11.30 Panel discussion Patient Advocacy Groups
- 11.30-12.00 Short summary from all groups
- SSG Morphology/Tumour biology group
Ingvild Lobmaier, Oslo
- SSG Orthopaedic surgery group
Michael Melchior Bendtsen, Copenhagen
- SSG Imaging group
Subhash Srivastava, Stockholm
- SSG Medical oncology & Radiotherapy group
Andri Papakonstantinou, Stockholm, Bodil Engelmann, Copenhagen
- SSG Nurse and Physiotherapists group
Annika Pettersson, Umeå
- 12.00–13.00 *Lunch (Restaurant Slagthuset)*
- 13.00–16.00 Visceral and retroperitoneal sarcoma working group.**
Meeting room: “Separaten”
Chair: *S. Lindskog, Gothenburg*
- 14.30-15.00 *Coffee break*

Orthopaedic surgery working group

- Date:** February 2, 2026, 13.00–17.00
February 3, 2026, 08.30–10.00 (cont. program on page 6)
- Place:** Meeting room: “Separaten”
- Chair:** *M. Melchior Bendtsen, Copenhagen*

Agenda

February 2

- 13.00- 13.30 Ewing Forum – discussion
Ole-Jacob Norum
- 13.30-14.30 The Future of SSG -How to move forward.
Michael Bendtsen
- 14.30-15.00 Coffee break*
- 15.00-16.30 Pelvic resection – flail hip or prosthesis.
- 16.30 - Quiz

February 3

- 08.30-10.00 Large extremity resections – reconstruction
“biologic or prosthesis”

Imaging working group

- Date:** February 2, 2026, 13.00–17.00
February 3, 2026, 08.30–10.00 (cont. program on page 6)
- Place:** Meeting room: “Slagt 2”
- Chair:** *S. Srivastava, Stockholm*

Opening welcome and presentation of agenda.

- Ongoing work on SSG on “Guidelines for basic MRI examination of suspected bone and soft tissue tumors”.
 - Revision status
 - Approval
 - Implementation
- **Follow-up imaging/s:**
Modalities and timelines (which, when and how often)
Standardization vs. differentiation
International guidelines
- **Interesting cases:**
 - a) Radiology
 - b) Nuclear Medicine
- **New publications/articles of interest:**
 - a) Radiology
 - b) Nuclear Medicine
- **Collaboration/research:**
 - a) Within our subcommittee
 - b) With other SSG subcommittees
 - c) With other organizations/consortia
- Ideas and suggestions for SSG Imaging Subcommittee.
- Quiz cases.
- Closing remarks.

Medical oncology & Radiotherapy working group

- Date:** February 2, 2026, 13.00–17.00
February 3, 2026, 08.30–10.00 (cont. program on page 6)
- Place:** Meeting room: “Veterinärens kammare”
- Chairs:** *A. Papakonstantinou, Stockholm, B. Engelmann,
Copenhagen, J. Engellau, Lund*
- Agenda** Content will soon be published!

Nurses and Physiotherapists working group

- Date:** February 2, 2026, 13.00–17.00
February 3, 2026, 08.30–10.00 (cont. program on page 6)
- Place:** Meeting room: “Slagt 1”
- Chair:** *S. Naess, Oslo*

Agenda

AYA – Adolescents and Young Adults

- What’s new for young patients in Sweden?
Annica Pettersson, Umeå
- Team Young
Alva Petri, Gothenburg
- Making hospital day brighter – The positive impact of dogs on young Patients and Children as Caregivers
Hilde Bøgseth, Oslo
- ULV – “Ung Livskraft”
Annica Palmgren, Lund

From inpatient to home-based treatment, interdisciplinary challenges in sarcoma care

Hilde Bøgseth, Oslo, Merethe Lia Johansen, Oslo

Morphology/Tumor biology/Molecular Genetics working group

Date: February 2, 2026, 13.00–17.00
February 3, 2026, 08.30–10.00 (cont. program on page 6)

Place: Meeting room: “Slagt 5”

Chair: *I. Lobmaier, Oslo*

Agenda

Monday February 2

- 13.00-13.45 Vascular malformations and tumors.
Emilia Gottberg, Lund
- 14.00-14.30 Molecular analysis and findings in vascular malformations.
Marius Lund-Iversen, Oslo
- 14.30-15.00 Coffee*
- 15.00 - Case presentations: vascular lesions and tumors and exiting cases - DIGITAL SESSION
Everybody prepares at least 2 cases each with benign and/or malignant vascular lesions.
Everybody prepares at least 1 case each with challenging or surprising cases from the past year.

Tuesday February 3

- 08.30-10.00 DIGITAL SESSION with discussion.
Chondroide tumors – how do we use the “new” classification and how does it work?

Visceral and retroperitoneal sarcoma working group

Date: February 3, 2026, 13.00–16.00

Place: Meeting room: “Separaten”

Chairs: *S. Lindskog, Gothenburg*

Agenda

13.00-13.20 Lessons from the RESAR initiative.

A. Thornell, Gothenburg

13.20-13.40 Risk stratification in high-risk GIST: Emerging biomarkers and strategies for clinical validation.

K. Boye, Oslo

13.40-14.00 Dual epigenetic targeting demonstrates strong preclinical efficacy against Myxoid Liposarcoma and Ewing Sarcoma.

C. Vannas Gothenburg

14.00-15.00 Case presentations

Gothenburg, Stockholm, Oslo

15.00-15.20 *Coffee break*

15.20-15.40 Discussion: Adjuvant treatment of liposarcoma – call for a study?

S. Lindskog, Gothenburg, A. Papakonstantinou, Stockholm

15.40-16.00 Discussion: Future direction for the working group meetings

S. Lindskog, Gothenburg
